Publisher's Explanation of Reviewer's Comments:

Technology Strengths  
NA

Technology Weaknesses

Instruction & Assessment Strengths  
Assessments at multi-ability levels available as another resource.

Instruction & Assessment Weaknesses  
Instructional language is grade appropriate, but too challenging for new comer ESL students. Practice page and unit wrap ups are brief and do not sufficiently address assessment needs.

Organization & Structure Strengths  
With the teacher's edition, student book offers a comprehensive literacy program. In teacher's edition, daily lesson plans are easy to follow and sequential.

Organization & Structure Weaknesses

Resource Materials Strengths  
Teacher's edition and support pack necessary to complete and organize this program. Other supplements such as the phonics street kit leveled books, and theme library would enhance students reading success.
